

Ladder System Registration 2011-2012

The Ladder System is a great way to set in place a system for challenges or competitive fun. It's also a good way to meet other members of the club! Doubles teams are ranked based on their CUBC level and are able to challenge other teams that are close to their levels in order to climb up the ranks. Plus, it costs only \$5 per team to join and there'll be prizes too!

Register online or in person at CUBC's 2-5pm Sunday sessions @ Norm Fenn gym. Contact us at exec.cubc@gmail.com for any questions!
