

The Carleton Swing and Swing UO dance clubs are excited to present

# FANTASY ISLAND

Starring:

Alain Wong and Sylwia Bielec

from Montreal, PQ

November 21-23, 2008

## The Workshop

Welcome to Fantasy Island! Yes, where all your dreams come true... The product of a joint effort between the [Swing UO](#) and [Carleton Swing](#) dance clubs in Ottawa. We are proud to bring you our vision of what a student workshop should be: fun, affordable, and full of the party!

## About Alain and Sylwia

Alain Wong -

Alain started dancing in 2000 with the McGill Swings Kids club in Montreal, and got hooked quickly. Eventually he started teaching and performing with Cat's Corner, one of

the premiere dance schools in Montreal. Alain has been teaching and performing with Cat's Corner all over Canada and the world, and was even included in [Gmail Video](#) with Ann-Mony.

Sylwia Bielec -

Sylwia is from Montréal and has been a regular fixture on local teaching and social circuits for many years. Dancing since the age of 10, Sylwia was drawn to lindy hop in 2000 when the Montreal swing scene was just discovering the dance. It was love at first sight. Today, Sylwia brings to lindy hop not only her love of partner dance but also her belief that each of us has primal internal rhythms and a biological impetus to move, baby! Recognized by her peers as a charismatic, sensitive and versatile follow, Sylwia is an articulate and highly skilled teacher who understands and works with individual learning styles.
