Fall Term 1992

The Faculty of Graduate Studies and Research normally admits students to commence in the fall term. However some academic units may consider applicants to commence in the winter term or the spring term. Applications for admission may be submitted at any time. Applications for admission from outside Canada should be completed at least five months before the desired date of admission in order for students to make the necessary visa arrangements.

Applicants wishing to be considered for financial assistance from Carleton University are reminded that they must submit their completed applications before March 1. Please note that some schools and departments may require completed applications prior to March 1. Students should refer to departmental entries in this calendar for details.

August 1

Last day for submission to the thesis supervisor of six examination copies of master's and Ph.D. theses for fall Convocation.
